

Happy  
Birthday  
Alan

*Here's fifty (ish) for you*

Dear Alan,

We have made this Family Photo  
Book for you to celebrate your 50th  
Birthday.

We hope you have a good laugh at  
some of the pictures and marvel at  
how well we have all aged.

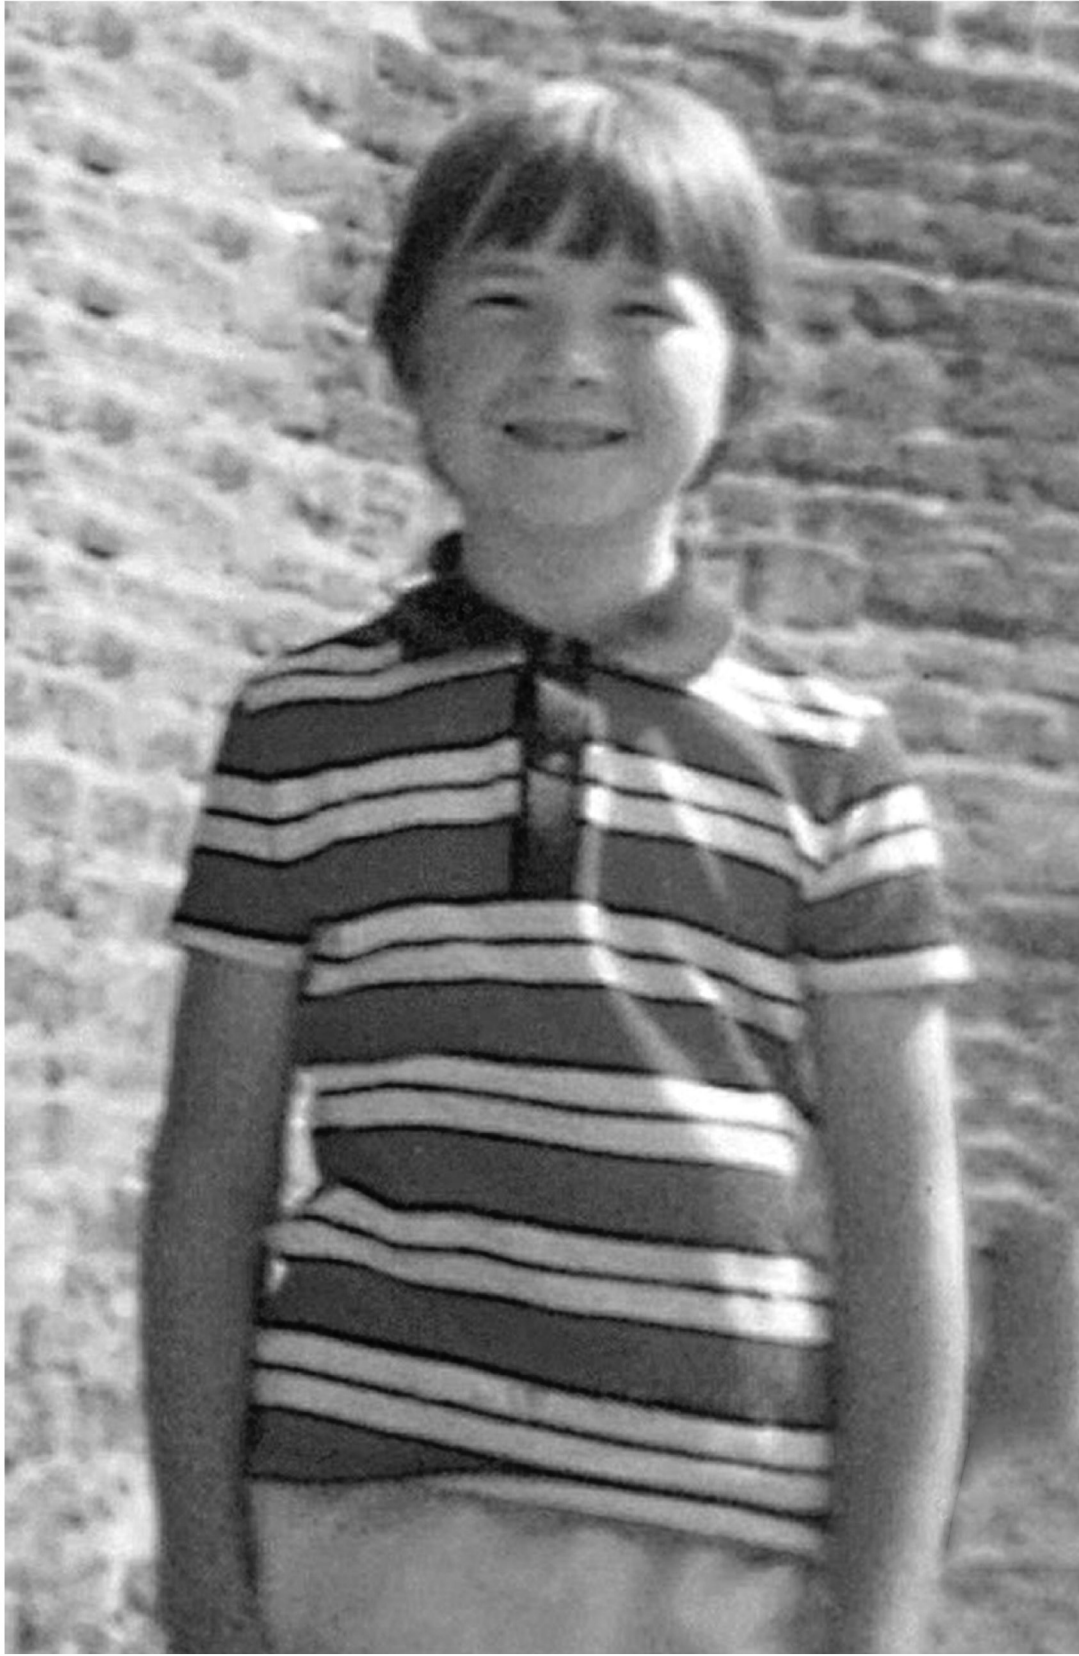

May your days be filled with good  
times, good friends and much  
happiness.

Have a wonderful party.

From Miriam & Paul  
with love.

September 4 2016.

Always happy, always laughing.

## Remember the wonderful day when Tim came to Weston?

We hadn't seen Tim or Debbie for so long but it was just like old times, plenty of laughing, a nice lunch, sunshine and rain. We had a drink in the Royal hotel on our way to the pier. A good day. Oh! and a photo bomb by Debbie!
